QUALITY / INNOVATION / CUSTOMER ORIENTATION

MANUFACTURERS SINCE 1953
The switch specialist

www.telergon.com

As the switch specialist, we design and manufacture low voltage switchgear solutions. We anticipate our customers' needs and offer electromechanical products for industrial applications, utilities, railway and green energy sector.

Customer-driven innovation

Commited to R&D and the future, we offer a wide range of standard products and customized solutions to meet specific requirements

Trusted experience

More than 70 years of experience, highly qualified professionals and a presence in over 100 countries ensure the best service and quality standards
